LD14K83B8S

14K HEAVY-DUTY DUMP TRAILER

The Liberty LD14K83B8S is a heavy-duty, commercial-grade dump trailer with a 15,400 lb GVWR, ideal for hauling debris, materials, and compact equipment. Featuring a stable scissor hoist with a 45-degree dump angle, it ensures efficient, controlled unloading. Built with a rugged 7-gauge steel floor and the Max Endurance protective top rail, plus standard ramps, rear stabilizers, and interior D-rings, this trailer is ready for the toughest tasks.
