------------------------	----------------------	-----------------------	----------------------------	--------------	-------------------------	-------------------	---------------------------------

## OVERVIEW

This 2026 MEB 82x14 telescopic dump trailer is built for serious hauling, debris removal, material handling, landscaping, construction use, and equipment support. The telescopic lift provides a stronger, higher-lifting dump action than standard scissor or dual-ram styles, helping the bed raise fully without having to shovel material out first.

## STANDARD FEATURES

- **Lift System:** Telescopic lift system
- **Coupler:** 5-position adjustable 2-5/16" coupler
- **Ramps:** Ramps stored on the side
- **Gate:** Combination barn door / spreader gate
- **Rear Stabilizers:** Drop-down stabilizer jacks on the rear
- **Bulkhead:** Removable bulkhead
- **Tarp Kit:** Tarp kit with anti-sail
- **Spare Tire Carrier:** Curbside-mounted spare tire carrier
- **Control Box:** Tongue-mounted heavy-duty control box with key lock
- **Battery:** Deep cycle marine-grade battery
- **Charging Setup:** Plug on toolbox with battery charger and tester
