2007 DODGE RAM 3500
DUALY 4X4 CREW CAB LONG BED

RAM

6.7L DIESEL

AUTOMATIC TRANSMISSION

4x4 4-WHEEL DRIVE

DUALY

LONG BED

287,000 MILES

This 2007 Dodge Ram 3500 dually 4x4 is a well-optioned long-bed diesel truck with power windows, power locks, automatic transmission, and a 6.7-liter diesel engine. It runs and drives great and is being sold from an estate. The truck shows typical Midwest rust along with some scrapes and dents, but it presents as a solid work-ready diesel with many useful miles left.

STANDARD FEATURES

- ✓ **Engine:** 6.7-liter diesel engine
- ✓ **Drivetrain:** Four-wheel drive
