OVERVIEW

Built for owners who need one enclosed trailer that can handle work during the week and adventure on the weekend, this 2026 Interstate SFC820TA3 delivers practical hauling capability in a clean, professional package. With a 20' floor length, 91" wide floor, rear ramp door, V-nose design, and 6,720 lb payload capacity, it is well suited for hauling cars, motorcycles, tools, equipment, and supplies with confidence.

Tradesmen, business owners, and sports enthusiasts across the country count on Interstate trailers for dependable hauling, versatile layouts, and quality construction. Many Interstate owners use their trailers for both work and play, making them a smart fit for hauling tools and supplies to the job site, motorcycles to a weekend getaway, race cars to the track, or equipment across town.
