5-AMP ON-BOARD BATTERY CHARGER

After a long day of work, plug an extension cord into the on-board 5-Amp battery charger on the 90SR to recharge and get ready for the next challenge.

STRENGTH & VERSATILITY

The 90SR is equipped with a 2" square tubing structural top rail for added strength and stakepockets along the sides for added cargo control and to support after-market side extensions.

DOUBLE REAR DOORS & OPTIONAL RAMP PACKAGE

The 90SR is standard equipped with double rear doors and (4) d-rings to secure cargo. Add the optional 7' rear slide-in ramps and the 90SR is perfect for hauling small equipment.
