THE NEW 35UT SINGLE AXLE UTV HAULER

B:8.75"
T:8.5"
S:8.5"

Specially designed for UTVs and ATVs, the 35UT comes maxed out with all the features needed to get your toys to the fun—easily and securely. The absence of a top rail gives quick access to your UTV without damage to swinging doors, and the added ability to side load ATVs. The rear bi-fold rampgate is configured to make loading and unloading a cinch, while cutting down on wind resistance when hauling down the road. And with included D-rings and rubrails for added tie-down points, this is one trailer that will keep your toys safely on the road – until you’re ready to go off of it.

BI-FOLD REAR RAMPGATE WITH COIL SPRING ASSIST

Configured to make loading and unloading a cinch, the bi-fold rampgate also cuts down on wind resistance. With the added spring assist, the gate is easier to set up and load up.

REMOVABLE JEEP-STYLE DIAMOND PLATE FENDERS

Heavy duty Jeep-style steel fenders, which can easily be removed for loading or unloading.

2" DEMCO EZ LATCH COUPLER

With Demco's Premium EZ Latch Coupler, automatically latch onto a hitch ball, providing any easy and convenient way to secure your trailer.
